PRESIDENT'S PAGE

I want to thank everyone for what they have done for the club this year. Above all, I want to thank our editors, Ross and Laura Seely. I feel that they have had the most time consuming and important job in the club. I want to thank George Wilson for his support and advise; his experience was extremely helpful this year. I want to thank Glen and Robin Sidwell, they have been real catalysts in the club; Glen kept me going when I needed a kick in the pants. I guess one of the most thankless jobs in the club is the Treasurer, and Mary Moulton has been conscientious and reliable. And last but not least, we have had some of the best "digs" this year that I know of for which I want to thank Bryan Moulton, Eric Jameson, and Bill Turpela.

I hear that at our December dinner we will have a lot to give away; gold coins, silver pieces and trade tokens. Everyone who attends, I hear, will take home something. I went to my first Christmas dinner last year and I remember it as one of the highlights of that year. My wife and I both had a wonderful time.

I am looking forward to this next year's club digs. Now that I have a four-wheel-drive I plan on getting out to a number of ghost towns, hopefully for a couple days at a time, if I can get away from the kids for that long.

I wish everyone luck in the coming year.

-John Sroka

FROM THE WAGONMASTERS

By Eric Jameson

This wraps up another good year of happy token hunting for us NUTS. Frisco, our ever popular dig, proved to be a good location for another year, despite flat tires. Fish Springs added a bottle and some coins to our collections. Joy did not bring much "joy", but it was a nice new place to see - once.

We now have a new year ahead of us, with several interesting possibilities. President's day is coming up in February, and this may be a good time to visit Gold Strike near St. George before it is covered by mine tailings (Tenneco is to start operations next summer). Perhaps our Southern Utah chapter can check into the possibility of going out there.

The Dugway range, near Fish Springs, has several mining camps near its north end that may be worth looking at.

Another new area is along the Utah-Idaho border,

A good four day trip has been proposed for Eastern Nevada. Let's hear some comments on this one.

Get your suggestions in to the new Wagonmasters as soon as possible for the new year.

P.S. I would like to make a suggestion that we all try to meet at the usual time of 8:30-8:45 at the Multipurpose Center when we start on the field trips. One some trips this year it turned out to be everyone for themselves.

RAFFLE!

AT THE CHRISTMAS PARTY
SEVERAL VALUABLES
WILL BE GIVEN AWAY.
ACCORDING TO THE
WAGONMASTERS NO ONE
SHOULD GO HOME EMPTY
HANDED.

THERE WILL BE TOKENS,
SILVER, AND A COUPLE
OF GOLD ITEMS!

HOPE TO SEE YOU ALL
AT THE CHRISTMAS
PARTY.

AN OLD TOWN IN UTAH

In the middle of October - three club members decided to meet in this very old town. Bryan Moulton, Glen Sidwell, and myself from Las Vegas, met there. After doing a lot of research on this place we knew the town had a lot of saloons, bars, hotels, and stores and a good population before the turn of the century and after. This worked- over town paid off. Many after the century wheat heads and early mercury dimes were found. Probably lost by the people that stayed in town.

Finding where the old part of town was; we all did well. Glen found a 2¢ piece 1864 and an 1899 dime. Bryan found a token from the W.R. Clark Drugstore. I finally found a token, Dowell and Enos worth \$1.00 in trade, a 1914 & 1907 dime, an 1897 Indian penny and a 1908S Indian penny.

Since this town isn't too far from most of the members, maybe we can meet there again.

-THE OUTSIDER,
John Nutting

NEWS FROM LAST MONTH

By Robin Sidwell

George Wilson conducted the November meeting, filling in for John Sroka who was absent due to illness - get well soon John.

Plans for the NUTS Christmas dinner were discussed. The party will be December 29, 1987, at 7:00 PM. The food and company will be wonderful and the prizes and awards are really great this year. There is more information in this issue about the gala event so please check it out and plan on attending.

George awarded the 1978 officers pewter casts of the NUTS medal. These are beautiful and as only several are made in pewter before the cast is destroyed. The pewter medals are given away to officers as an incentive for members to become involved in the governing board, but also to thank outgoing officers for their dedicated services.

Special thanks to Gary Weeks who was kind enough to share his expertise in token and coin operated gambling, and vending machines. Gary shared a lot of information and stories with us. He has researched the history of these machines well and written several books about gambling machines and treasure hunting.
